COUNTY COMMANDERS' REPORT

As we reflect on the past year Nassau County has excelled this year, leading the 10th District in membership renewal with the most posts achieving 100% or greater. Between this year and last, we successfully saved several posts from extinction, ensuring their continued service to veterans and the community. This achievement reflects our county's dedication to preserving the American Legion's presence and strengthening our membership

Our Boys State program surpassed post-COVID numbers, reflecting strong community engagement.

Our Oratorical candidate reached the National level, showcasing the talent and dedication of our youth. Additionally, our Law-and-Order candidates are gaining recognition at the Department of New York level, with potential invitations to the Syracuse convention.

These accomplishments highlight Nassau County's commitment to leadership, service, and excellence in the American Legion. Thank you Legioneer' s.
